Testimonials

“Reflecting on my experience of the Ulster Badminton Mentoring Programme. I can say it was a very enriching experience that provided a more concrete and solid foundation for developing my playing, coaching and personal growth. It was great to work along with my mentor Les who has so much experience and knowledge in the sport”

“The Mentoring programme opened a massive community with people who have a lot knowledge and are some people I have never worked with. Sharing this experience and learning alongside these fellow players/coaches made the program so enjoyable with the guidance and feedback everyone gave only wanting everyone to benefit and be the best they possibly can.”
